

AHAMMED KABEER

MERN Stack Developer Intern

ahammedkabeer0517@gmail.com
Kasaragod, Kerala, 671123, India | 9061012517

Experienced MERN Stack Developer skilled in building responsive and scalable web applications using JavaScript, React.js, Node.js, and MongoDB. Strong collaborator with a focus on delivering high-quality user experiences. Proficient in integrating secure payment systems and developing platforms using modern web technologies.

Work Experience

MERN Stack Developer Intern

Feb 2024 - Present

Stack Centre | Kasaragod

- Developed web applications using the MERN stack, ensuring scalability and performance.
- Collaborated with teams to design and implement features, enhancing user experience.
- Participated in code reviews to maintain high code quality and optimize backend processes.
- Assisted in gathering requirements and translating them into technical solutions.

Projects

Skillera

Apr 2024 - May 2024

Developed a responsive LMS using React, Node.js, and MongoDB. Integrated Stripe for payments, Cloudinary for media uploads, and Nodemailer for registration and password resets. Designed a Figma-based UI, with JWT-based authentication and role-based access.

- Git: <https://github.com/kabeerkebi/SkillEra-LMS>

AspireLink

May 2023 - Jun 2023

Developed a Job portal using the MERN stack with Redux for state management. Designed a responsive, visually appealing UI using Figma. Integrated Cloudinary for image uploads, and implemented secure JWT-based authentication for users. Optimized backend performance with Node.js.

- Git: <https://github.com/kabeerkebi/AspireLin>
